

# Beside working, I like to make funny project to entertain myself...

**vaCAVEtion:** the project present the feeling I have during quarantine. We are back to the cave living, which like a very strong dream for me and force me to think about the origin of our fear and will I dare to face the aside world after this: <https://bit.ly/3hCTj4S>

**imagination summer:** inspired by a project of Mexican bar, I created a page that represent the imagination of what suppose our summer should be after online chatting with my friends. the backgroud music mix with the playlists they made, make up the feeling of what a wedding, a house class, a roadtrip and etc.: <https://bit.ly/random-cool-stuff>

**play one:** a 360 degrees camera combine with the tactical board that can record the ball game in time.

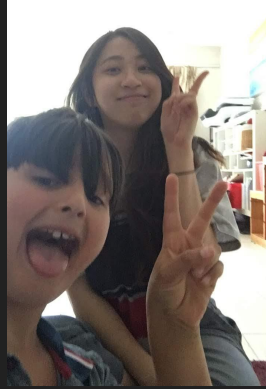

# Also, I like was a...

*farmer*

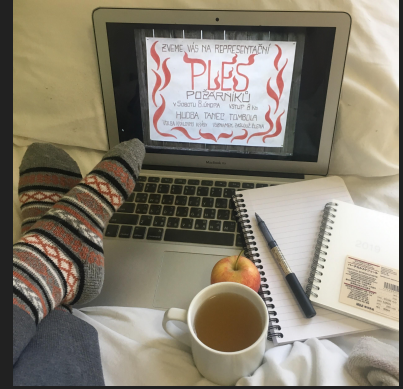

*seasonal cafe pt*

*babysitter*

*speaker*

*and film enthusiast*

**hope this random introduction can make you know more about me,  
looking forward to hearing from you !**
